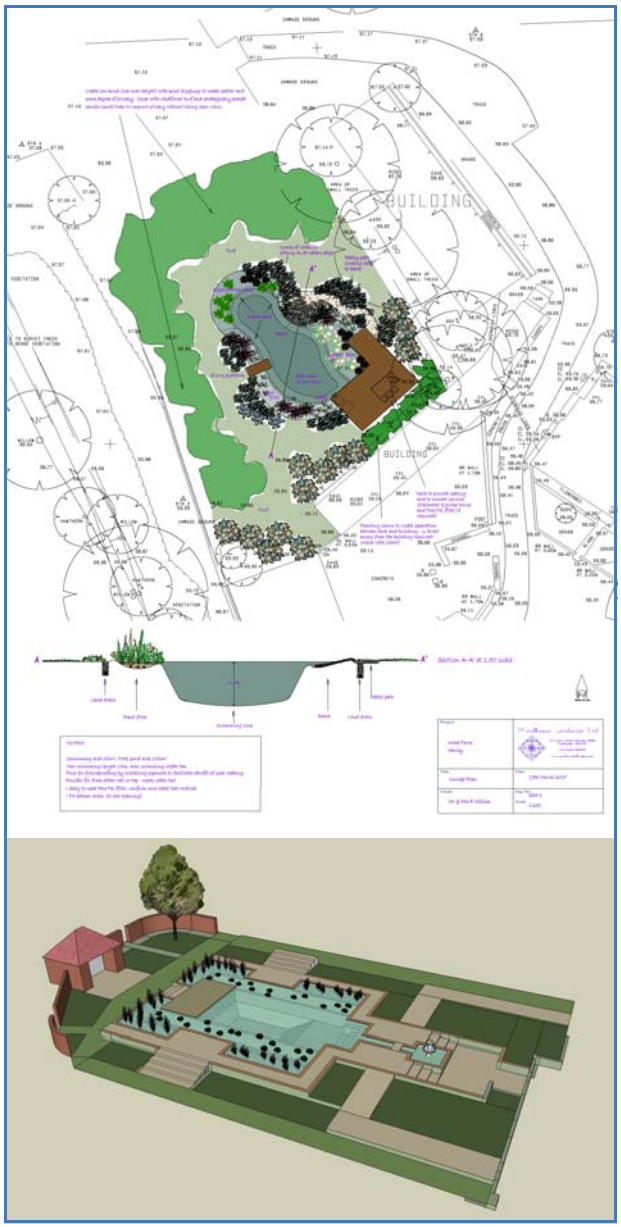
WOODHOUSE NATURAL POOLS

SPECIALLY DESIGNED POOLS



A specially designed pool might be appropriate if a design has to consider any of the following factors:

- house or architectural style
- steeply sloping site
- pool size over 100m2
- unusually shaped site
- small site
- a style preference

Specially designed pools are available in three options:

1. Biotop Natural Pool
2. Biotop Pure Water Pool with plants
3. Biotop Pure Water Pool without plants

Specially designed and larger pools cost from £250 - £500 per m2
